Brake Parts Inc Receives NAPA Partnership Award

MCHENRY, III. – April 13, 2017 – Brake Parts Inc (BPI) was honored with the NAPA Partnership Award during the annual NAPA Vendor Summit, held Feb. 23, 2017 in Atlanta, Georgia. Accepting the award for BPI was Joe Parzick, chairman of the board; David Overbeeke, president and CEO; Ron Hoxsey, vice president sales; and David Ferretti, business development manager.

“We are extremely honored to have received the NAPA Partnership Award from one of our most valuable and long-standing business partners,” said Overbeeke. “This award is a testament to the open communication, mutual support and respect that our core BPI/NAPA team have for each other. It has allowed them to work successfully together on key initiatives that helped drive market share growth. Looking forward, we will continue to be a proactive partner with NAPA to ensure they remain competitive in the industry.”

“The NAPA Partnership Award represents the investment in day-to-day relationships at every level of the NAPA team,” said Hoxsey. “As NAPA’s primary rotor supplier since the 1950s, we accept the distinction the award bestows and appreciate the opportunity to continue to build upon our partnership for many years to come.”

About Brake Parts Inc

Brake Parts Inc (BPI) is committed to leading the global automotive aftermarket as the premier manufacturer and supplier of brake system components. The company’s primary focus is the growth and profitability of its customers through a collaborative platform of quality, innovation, dedication and integrity. BPI has a demonstrated commitment to research, development and testing of its entire product offering, including friction, rotors, drums, calipers and hydraulic products, ensuring that they meet or exceed original equipment fit, form and function requirements.
